Sir:

PETITION TO REVIVE UNDER 37 CFR 1.137(a)

Applicant has received a Notice of Abandonment dated September 23, 2004 for failure to respond to the Office Action dated 13 August 2003.

In response to a telephone conversation with Examiner Sikder on August 6, 2003, Applicant sent by facsimile transmission on August 14, 2003 the enclosed Amendment with a Certificate of Transmission under 37 CFR 1.8 thereon.

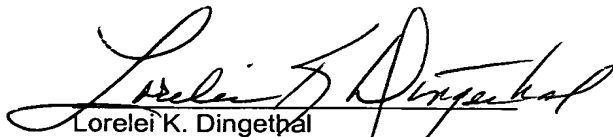

The aforesaid Office Action of 13 August, 2003 indicated all claims were allowable, but that an Abstract and Headings for the various sections of the specification were required.

Applicant's facsimile sent August 14, 2003 addressed these matters and was believed to have responded to all issues raised by the Examiner.

Upon receipt of the Office Action dated 13 August, 2003, Applicant's attorney believed all the matters therein had been addressed by the facsimile transmission of August 14, 2003, and no further response was necessary.

CERTIFICATE OF MAILING UNDER 37 CFR 1.8

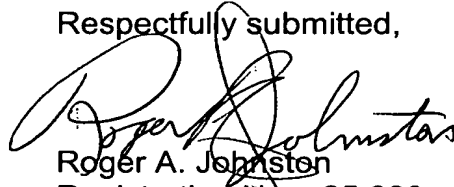

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on September 29, 2004.

Lorelei K. Dingetpal

Upon receipt of the aforesaid Notice of Abandonment, the undersigned attorney discovered that his file copy of the aforesaid amendment shows that the transmittal form for the fee was signed by Applicant's attorney; however, the copy of the amendment was inadvertently and through error not signed.

Applicant has made a timely and good faith effort to respond to the issues raised in the outstanding Office Action and it is requested that the application be revived.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Roger A. Johnston", is written over the typed name.
